WHEN TO USE IT

This form is used to record the medical history of the birth parent(s) and relatives of a child to be adopted. The form also records the child's birth history information, immunization record, special medical examinations/diagnoses and psychological evaluations/diagnoses.

The Spanish language version of the form is available in the On-Line Forms Manual only. It is not a stocked form.

After completing the form [14-177](#) in NJS (in English), complete it in Spanish, so that it may be given to an adoptive parent whose preferred language is Spanish.
